# I. TLC

## A. About Us

Trinity Language Centre (TLC) offers university language preparation programs for students who plan to pursue post-secondary education in Canada. TLC provides different levels of English classes to accommodate various demands of diverse student population.

### **Highlights**

#### ***Statement of purpose***

Trinity Language Centre (TLC) offers university language preparation programs for students pursuing post-secondary education in Canada. By providing academic English classes to students from beginning to advanced levels, TLC aims to help learners to improve their academic English skills necessary for the undergraduate or graduate studies, equip them with the learning strategies essential in North American educational context, and cultivate the cultural sensitivity and critical thinking for them to succeed their journey of international education in Canada.

#### ***Language and content area learning combined***

All courses teach progressive/advanced skills within the context of academic content areas.

#### ***Individualized learning assistance***

A tutorial system (highlighting a daily Supervised Assignment Session) bridges classroom teaching and after-class learning to provide students with individual academic assistance.

#### ***Caring and supporting learning atmosphere***

TLC follows evangelical Christian spirits and creates a caring, equitable, and inclusive atmosphere for teaching and learning.

### **Mission Statement**

The mission of Trinity Language Centre is to provide students with high quality English instruction and training that accommodates individual needs, and ultimately help them to navigate in their respective pursuit of academic learning with sufficient English proficiency. In a supportive community of English learning, students will improve their language skills and learning strategies, acquire cultural knowledge and awareness, and develop critical thinking to ensure a smooth transition into North American colleges or universities.

### **Vision**

Engaging, empowering and inspiring students to achieve excellency.

## **Core Values**

TLC is committed to build a community that

- enhances caring relationships
- integrates the Bible values
- promotes a Christian worldview, and
- highlights scholarly success

## **B. Our Programs**

All programs in TLC help students to improve their listening, speaking, reading and writing skills, to instill confidence in moving forward to the next level of English learning, and to get well-prepared for the undergraduate/graduate studies in their future learning at graduate or undergraduate level.

### **Programs in Academic English Studies (AES) (For Future Undergraduate Studies)**

To achieve the best result in teaching and learning, undergraduate language preparation programs in TLC will be organized to teach progressive or advanced skills within the context of academic content areas. This Modular Academic System (MAS) of Learning is composed of four progressive levels. Each level will be taught through the lens of three Academic Content Areas—Humanities and Social Sciences (MAS-H), Sciences and Math (MAS-S), and Professional Studies (MAS-P). Each level is composed of three five-week learning and assessment; students are therefore able to start every five weeks. In addition to the 20-25 hours per week of direct learning, students attend daily tutorials to supplement in-class learning.

If students plan to enter Trinity Western University for undergraduate studies, their successful completion of AES level 4 (which requires the completion of 4-H, 4-S, and 4-P) will enable them to go to the programs that require IELTS 6.0 (U1 Program and BA Leadership Program). U1 program is the first year of undergraduate studies at TWU, which provides fundamental courses for students to commence future specialized studies. After completion of U1 program, students will be able to choose any undergraduate major in TWU.

### **Pre-Graduate Study (PGS) (For Future Graduate Studies)**

PGS Level-1 offers academic English classes at TLC, while PGS Level-2 is delivered with the combination of language and university credit course studies. The credits gained can be transferred to undergraduate studies in TWU. Students who successfully complete the PGS Level-2 and meet the GPA requirements in the BA Leadership credit courses will be admissible into the TWU graduateprograms requiring an IELTS 7.0 English language proficiency.

### **CAEL Preparation Course**

The CAEL Test (Canadian Academic English Language test) can be used as a placement test in TLC. When necessary, TLC may offer a CAEL Preparation Course prior to the start of each semester (regular start). A CAEL test will be offered after this course and the result will be available before the official start of that semester.

## C. Placement Test

A key component of the TLC system is the assessment of learners into appropriate language learning categories. CAEL, IELTS, TOEFL, Duolingo, PTE, and Cambridge English test scores are accepted in the application of TLC. The official transcripts of these tests are required to display upon enrolment. Students who do not have any valid English proficiency proof can write the TLC In-House Placement Test. Please see below for the detailed conversion between different test scores and the corresponding levels of studies at TLC.

CAEL	TOEFL IBT	IELTS Academic	TLC In-House Placement Test	Duolingo English Test	PTE Pearson Test of English Academic	Cambridge English	Programs
10-29	21-34	3.0- 4.0	15- 40	40-75	22-29	130- 146	AES Level 1

Students who have completed the Advanced Academic Writing and Research I at Vancouver Premiere College (VPC) with C- and higher							

For students waiting for their test results, if they have one of the above-mentioned test scores that are already expired, they may be placed temporarily in one level lower than the level that the language score should have enabled them to sit before its expiration. They then will be replaced when the test score is available.

The standardized English test result that a candidate has provided will be acceptable if it is valid

- a. upon signing contract with TLC for the first semester of study; or
- b. upon application submission with the University, and the applicant starts their study at TLC within one year of the application submission.

**Please Note:** TLC reserves the right to 1) add or remove a test that is accepted by TLC; 2) adjust scores of a test needed for any level; and 3) decide the placement of a student case by case, taking into consideration of all the potential factors that may be involved in each individual case.

## **II. ADMISSION AND ACADEMIC POLICIES**

### **A. Program Admission Policy**

#### **Late Arrival**

Students who are unable to enroll on the official starting date of each module are allowed to begin no later than 10 business days after the specific starting date, or they are supposed to start from the starting date of the following module.

#### **Conditions for Returning Students**

Admission conditions apply to returning students with a record of TLC policy violation in the previous semester. TLC policy violation may include, but is not restricted to, the following situations:

1. Delaying in paying tuition fees and ignoring warning letters of payment reminders;
2. Repeated lateness in attendance and ignoring warning letters; and
3. Inappropriate and disrespectful behaviors in class and on campus without improvement after warning.

#### **Re-enrolment**

For any students who have left TLC and will resume studies within a year from the date of their official dismissal or withdrawal, they will be placed according to the level of learning when they leave. When a student has been away from TLC for longer than a year, their placement is either based on the level of learning when they leave or a valid English test result that TLC recognizes. Conditions apply to those who are dismissed because of breaching TLC behavioral policies.

The TLC learning record of a student's who has left the school for any reason will be eligible for placement for two years. After two years, students have to submit a valid language test recognized by TLC to resume study.

### **B. Academic Policies**

#### **Assignments**

If not otherwise specified by the instructor, daily assignments and homework are due at the beginning of the following class. Late submission of assignments/projects are penalized 10% per day for up to three class days, after which the assignment is not accepted and receives a 0% grade.

If hard-copy assignments are requested, students are expected to print them out before coming to class on the due date of the assignment.

### **Exams**

For AES programs, exams take place at the end of each learning module. To be more specific, the 5th week of each module is the Testing Week when general revision of the content covered will be followed by the module specific tests (Written & Oral).

For PGS classes, a mid-term examination/project/research essay will be arranged and the final exam is taking place in week 12.

TLC students can request a test/quiz rescheduling with sufficient proof that the rescheduling is necessary. To do so, students should contact the TLC Program Coordinator to request and fill out the form and pay for the reschedule fee with the TLC Accountant. Then they will contact their instructors to confirm the time and date. Meanwhile, the Manager of Program and Learning will work with the instructor on the test paper/questions when necessary. Ideally, the test rescheduling request should be submitted a week before the test/quiz date. Students caught cheating during the exam will be given 0 for the exam.

### **Course Passing Requirements**

TLC students are required to complete all studies in each level and achieve a minimum of 60% (60 points in numerical grading) on average to pass this level and get into a higher level of study.

**For AES students**, the assessed assignments in each module are as follows:

1. One major assignment (20%)
2. Quizzes (10%)
3. Homework/assignment (10%)
4. Active learning (10%)  
Consisting of the following: attendance, engagement, improvement, and punctuality  
(applicable to all classes including Supervised Assignment Sessions)
5. Module test (50%)

Please note that the grade AES students earn in TLC is not transferable to any other schools; but TLC could provide a TLC transcript upon request.

**For PGS Level-2 students** to be admissible into the TWU graduate programs that require an IELTS 7.0, they have to pass both the TLC Academic English Classes (60%) and achieve a minimum of B average in GPA of the credit courses. Failure in any part of learning will lead to the repeat of both the language section and the two credit courses in PGS-2.

**The grading at PGS Level-1 language section is as follows:**

1. Mid-term examination/Research essay/Research project (30%)
2. Quizzes (10%)
3. Active learning and Daily assignment (10%)  
Consisting of the following: daily assignment, attendance, engagement, improvement and punctuality
4. Final examination (50%)

**The grading at PGS Level-2 language section is as follows:**

1. Mid-term examination/Research essay/Research project (30%)
2. Quizzes and assignments (15%)
3. Active learning (5%)  
Consisting of the following: daily assignment, attendance, engagement, improvement and punctuality
4. Final examination (50%)

Evaluation criteria can be found on the course outlines that instructors will distribute at the beginning of each module for AES students and of the semester for PGS students.

**Expected Times of Repeating Each Level**

Most students are expected to pass each level in one semester if they follow the Student Conduct and learn actively as responsible learners. When a student fails one level, the Director of Education, the Academic Assistant, and the Program Coordinator of TLC will work with this student to help him/her to succeed in the second attempt. The cost that is generated from the extra help that the student gains will be paid by the student. If the second repeating fails, TLC may recommend the student shift a school/program that fits the student better. Students who fail on the third attempt to pass one level will not continue to study at TLC. For the repeating semesters, certain conditions may apply (e.g. mandatory individual tutorials) to assist the student in learning better.

**Tutoring System**

TLC has set up a unique Tutoring System to provide academic support to students in AES Levels 1-4 in the format of mandatory Supervised Assignment Session (SAS) and individual tutoring (optional) by appointment. Students identified as at-risk are required to make an appointment and meet the Academic Assistant. The TLC Manager of Program and Learning will work closely with each instructor to keep track of the learning progress of students and offer specific assistance to those in need upon recommendation of the instructor. If students are late or absent due to health or unexpected conditions, they are encouraged to book appointments with instructors and the Academic Assistant/Coordinator to make up the class (es) they miss.

PGS-1 and PGS-2 students are required to attend workshops hosted by TLC Manager of Program and Learning each week.

### **Challenge Test**

After completing each level, most AES students (see Note for exceptions) will have the opportunity to decide whether to challenge by writing either a TLC In-House Placement Test or an Online CAEL Test to skip a level on the following conditions.

1. Students have completed the three module studies in their corresponding level with an average score of no lower than 77 points.
2. Recommendations of writing a challenge test are made by the instructor based on attendance, participation, and academic progress of the student.
3. Students have to achieve the test requirement of the corresponding level they would challenge in the Challenge Test.
4. If a student chooses to write the TLC Placement Test for the challenge, they can only write the designated Placement Test prior to the beginning of a new semester.
5. It is the student's own responsibility to plan ahead and decide which challenge test to write, if at all, based on the accessibility of the CAEL Online test in the city/country where the student resides at the time of the test writing. If a student decides to write a challenge CAEL test, they should find a time and date for the Test and book it online (<https://www.cael.ca/take-cael/overview/online/>). They should make sure that the official CAEL Test result could be received by TLC for placement before the start of the following semester.
6. To maintain the consistency of the application of the on-site CAEL Placement Test TLC used before Covid-19, the Speaking part of the official Online CAEL Test is only used as a reference in considering the overall score of a student's CAEL Test.

***NOTE: AES Level-3 & Level-4 students in the BA Leadership and the UI Program are not eligible for the Challenge Test.***

### III. BEHAVIORAL POLICIES

#### A. Attendance

100% attendance is expected in TLC. Instructors will check the attendance at each class and mark absences, late attendance, and early leave. If a student has to be late or absent because of unavoidable circumstances, they must inform the instructor by telephone or email in advance. Any absence, lateness, and early leaving for any classes without a valid reason will be reflected in the attendance record and affect the active learning score. **Absence of classes of the current semester for 15% or more with/without valid reasons may result in repeating of the same level courses.**

##### Lates

Students who are late may be required to wait until the break or notification of the instructor to enter an onsite class. Students may wait in the waiting room before being allowed to enter the Zoom class. **Three lates will count as one absence.**

##### Absences

Missing one hour of a class (because of late arrival, early leaves, or missing in between) counts as one absence.

##### Supervised Assignment Session

Supervised Assignment Session is a critical part of the courses in AES Levels 1-4, and all students at these levels are required to attend. Attendance in Supervised Assignment Session is recorded on file; all rules and regulations on Attendance in Behavior Policies apply to this Session.

##### Leaves

**Sick Leave** - Students absent due to sickness are required to notify TLC/instructor by phone or email in advance. Sick leave for more than 2 days (including 2 days) will be requested to present a doctor's note. If a student asks for a sick leave due to an epidemic disease, the maximum days of leave could be reconsidered case by case.

**Deferral** - Students are recommended to complete their learning continuously at TLC for the best learning outcome. Students with deferral request have to fill out the Deferral Application Form and preferably pay the tuition fee of the corresponding level and/or semester of study by the deadline specified to secure a space when they come back.

**Leave of Absence** - Typically a leave of absence begins on the first day of an academic

semester and approval for the leave is obtained at least two weeks before the semester begins. Please consult the Program Coordinator for details.

### **Quiz, Graded assignment, and Test Make-up/Rescheduling**

Students with a doctor's note or other valid documentation for leaves are eligible for rescheduling/making up of missed quizzes, graded assignments, and/or tests with a fee (please refer to the Fee Section on p.19 of this Handbook).

Students who are late to start are also eligible for making up the missed quizzes and graded assignments with a fee.

**Students must be noted that student attendance is tracked and the records may be submitted to Citizenship and Immigration of Canada upon request, which could result in revoking the study permit.**

## **B. Cell Phones and Social Media**

Cell phones must absolutely be muted throughout class time. No social media (WeChat, Facebook, for example) and text messaging is allowed during class time.

Conditional use of smartphones for learning purposes in class are allowed with the permission of instructors, who have the right to ask students to turn off their phones when necessary.

## **C. Languages**

Students are highly encouraged to speak English in and out of classrooms in TLC. Students' native languages are acceptable **only when** English communication fails to assist learning for lower English level students. Students have to make this clear to instructors when they wish to gain help from their fellow students using their shared first language; however, instructors will decide whether this is allowed and if yes, when and for how long. In other conditions, communication in other languages than English will be recorded as offences by instructors or the TLC Program Coordinator in the Supervised Assignment Session in the classroom, or any employees in-person or online after class.

## **D. Classroom and Campus**

Before/after and/or between classes, students are encouraged to use public learning area on and off campus. It is the responsibility of all students, instructors, and staff members to keep TLC a quiet and learning-friendly space.

Smoking and vapour products use is strictly forbidden on campus. For detailed regulations of different cities, please go to <https://www.richmond.ca/city-hall/bylaws/property/smoking.htm> (Richmond) and <https://city.langley.bc.ca/sites/default/files/uploads/Bylaws/SMOKING%20BYLAW%202792%20%28CONSOLIDATED%29.pdf> (Langley).

Food is not allowed in classrooms in order to keep our learning place clean and tidy. Drinks in covered containers are acceptable. Students can eat at the cafeteria area near the classroom.

## **E. Cheating or Plagiarizing**

Students are considered cheating or plagiarizing if they seek help, use assistance, materials or methods while completing assignments or exams, without acknowledging of doing so.

Typical cheatings may include, but are not limited to

- copying anything that is not your own work from a book, an article, the internet, etc.;
- copying from a classmate;
- using secret notes in an exam;
- using a dictionary when a dictionary is not allowed;
- using a cell phone during a test;
- looking at your classmate's answers; and
- using AI in writing an assignment or in a test.

Any form of cheating will bring serious consequences from a reduced grade to a fail in the assignment/test. Repeated cheating will lead to expulsion from TLC.

Also, an instructor has the right to deduct scores (up to 30%) in a graded assignment and/or test if the instructor

1. Identifies a big discrepancy between a student's assignment produced in class with other forms of writing assignments that the student has produced; or
2. notices big discrepancy between a student's assignment with their everyday academic performance in class.

*Note: When necessary, a higher percentage of deduction or even a failure may be implemented with the consent of the DoE.*

## **F. Dismissal Policy**

### **SECTION I. General conditions of dismissal**

#### **A) Policy**

If a student discontinues his or her program of study in any of the following cases, the student will be considered a student of dismissal from their program of study.

1. For any reasons, a student stops attending classes for 4 consecutive weeks during a semester of study without notifying the Centre reasons of absence in writing or specifying their returning date;
2. For any reasons, a student does not return to the Centre within 4 consecutive weeks of their expected returning date after a planned study break or academic suspension without giving the Centre a written notice to specify a new returning date;
3. For any reasons, a student does not pay for the tuition fee in full within the first 2 weeks

of a semester.

## **B) Procedure**

The process by which a student may be dismissed in the above conditions is as follows:

1. The Program Coordinator fills out a "Student at Risk" report with the student, identifying the problem and setting a plan of action. At this point, a verbal warning or advice is given.

The plan of action will specify what the student needs to do during a certain period of time so that improvement of the student can be measured and observed.

2. A follow-up report is compiled by the PA with the student if the situation has not been improved. In this case, the student is then issued a written warning and given one more chance for improvement.
3. If the second follow-up report shows that the requirements have not yet been met, the student may be dismissed.
4. For students who do not pay their full tuition fee on time, they will receive email reminder of the payment in Week 1 and Week 2 indicating the deadline of payment, normally by two weeks after the semester starting date. The student will be dismissed if no payment is received by the deadline indicated in the reminder and refund policy will apply.

## **SECTION II. Other possible conditions for dismissal**

Other possible conditions that may lead to immediate dismissal from TLC are as follows:

1. Disrespect directed toward staff, instructors, or other students;
2. Threatening or intimidating behavior that interferes with the pursuit of learning by others;
3. Failure to follow TLC's regulations, policies, and procedures.

**NOTE:** Final decisions with respect to a student's status at TLC will be at the discretion of the Director of Education. The Centre reserves the right to expel a student without prior warning for a criminal offence or action that causes harm to TLC or its staff or students.

## **G. Dispute Resolution**

The following policies and procedures have been designed for the protection and interest of both the student and TLC. It is acknowledged by both parties (or representatives thereof) that the contents are read and understood and will be the basis of conflict and dispute resolution between the two parties.

1. This policy governs complaints from students respecting Trinity Language Centre (TLC) and any aspect of its operations. Students will not be subject to any form of retaliation as a result of filing a complaint.
2. All student complaints must be made in writing.
3. The student must provide the written complaint to the Program Coordinator who is responsible for making determinations in respect of complaints. If the Program Coordinator is absent or is named in a complaint, the student must provide the complaint to the Director of Education at TLC.
4. If a student has a dispute regarding the instruction, training, course content, scheduling, exam results, and other related academic matters, the student should:
  - Discuss and try to resolve the issue with the instructor directly.
  - If the student does not receive a suitable response, the student can make a written statement of the issue (within 5 business days after the result of the exam or assignment is released by the instructor, if the dispute is about the result of an exam or assignment) to the Program Coordinator, who will meet with the student, request submissions from all parties involved (including witnesses), and conduct an investigation.
5. If a student has a dispute with another student, a staff member or manager, the student should:
  - Talk directly to the person involved in the dispute. Then both parties should try to resolve the problem.
  - If the student is dissatisfied, he/she may meet with the Program Coordinator at TLC who will then request submissions from all parties involved (including witnesses), and conduct an investigation.
  - If further action is required, or if the Program Coordinator is involved in the complaint, the student can set up an appointment with the Director of Education.
  - Written reasons for the determination will be provided to the student within 30 days after the date on which the complaint was made.
6. The student making the complaint may be represented by an agent or a lawyer.
7. If the student is or was enrolled in an approved program, is dissatisfied with the determination, and has been misled by the institution regarding any significant aspect of that program, he or she may file a complaint with the Private Training Institutions Branch ([www.privatetraininginstitutions.gov.bc.ca](http://www.privatetraininginstitutions.gov.bc.ca)). Students could also seek for resolution from the Board of Directors of Languages Canada (<https://www.languagescanada.ca/en/>) if the issue is not solved by the school.

8. If a student wants to make an appeal for a grade, they can refer to the Grade Appeal Policy (see below).

## **H. TLC Grade Appeal Policy**

### **Policy**

Trinity Language Centre (TLC) is responsible for maintaining standards that promote academic integrity and student success. It is expected that faculty members will make academic judgments that are consistent, fair, and that students' academic records will reflect their demonstrated abilities and accomplishments.

Students have the rights to know the academic standards of the course and how their academic performance will be evaluated. Faculty members and other staff who are responsible for grading a student's academic performance are expected to make available, at the start of each course, the evaluation components.

The purpose of this policy is to establish the parameters of and the procedure for students who wish to appeal a grade.

Appeals are limited to the following grounds:

1. A clerical error has resulted in a miscalculation of the grade.
2. The grade awarded did not reflect fairly the student's academic performance and/or the stated requirements for the course.

### **Procedures**

Grades submitted by instructors after the completion of a module/term are considered final. If a student disagrees with a grade, that student must first address any such grade dispute with the relevant instructor. If the student is dissatisfied with the instructor's resolution of the issue, he/she may submit a written statement concerning the issue to the Manager of Program and Learning (MPL) within five (5) business days of the decision having been made. The appeal must describe the circumstances and reasons as to why the student's academic record needs to change. The MPL will assess the petition with the support of the Director of Education (DoE). The student will be sent a written decision within fifteen (15) business days of TLC's receipt of the petition. The decision of the DoE is final and is the ultimate step in the appeal process.

# IV STATEMENT OF STUDENT RIGHTS AND RESPECTFUL AND FAIR TREATMENT OF STUDENT POLICY

## V. TLC SEXUAL MISCONDUCT POLICY

1. TLC is committed to the prevention of and appropriate response to sexual misconduct.
2. Sexual misconduct refers to a spectrum of non-consensual sexual contact and behaviour including the following:
  - sexual assault;
  - sexual exploitation;
  - sexual harassment;
  - stalking;
  - indecent exposure;
  - voyeurism;
  - the distribution of a sexually explicit photograph or video of a person to one or more persons other than the person in the photograph or video without the consent of the person in the photograph or video and with the intent to distress the person in the photograph or video;
  - the attempt to commit an act of sexual misconduct; and
  - the threat to commit an act of sexual misconduct.
3. A **Complaint** of sexual misconduct is different than a **Report** of sexual misconduct. A person may choose to disclose or complain of sexual misconduct without making a formal report. ## **VII. SERVICE AND INFORMATION**

### **A. Medical Insurance**

#### **British Columbia Medical Services Plan (BCMSP)**

Students in TLC are required to enroll in BCMSP during their study period. To qualify for coverage for the BCMSP (government medical insurance), international students must have a study permit for more than 6 months; otherwise, you have to extend it in the future before you are qualified to apply. If you are a Canadian citizen or a permanent resident, provide documentation that could approve your status (i.e. a copy of PR card). Those on visitor visas are not eligible.

International students should submit their application for BCMSP as soon as arriving in Canada as there is a three-month application processing period. You will then receive a B.C. Care Card in the mail.

For information on premium rates and application forms, please visit <http://www2.gov.bc.ca/gov/content/health/health-drug-coverage/msp/bc-residents>

#### **Private Insurance**
